Windfarm Trip -

Ray thought windfarm trip was  
very interesting but concluded that it  
would not be a good site for future  
businesses.

Clean up Day

CC was successful in cleaning  
Halls Brook Rd and Rewe Rd. Slim found  
tires and brought them to Transfer station  
for disposal at no charge. Slim is looking  
into signs being posted about littering.

Blocked Water Source - (Cockermouth River)

Slim spoke to someone from  
DES and took him to Blocked water area  
where he took pictures to send to Wetland  
commission. Slim did not get mans name.
