NEW BUSINESS:

M.E. Latulippe Construction, INC. Crusher Rental Contract

M.E. Latulippe Construction, INC submitted a contract for a crusher rental to grind the used asphalt behind the garage. The cost for this work is \$3,500.00. Sara will check with Glen to see when this is going to get done. If not by the end of the year then we will look into encumbering the funds. Christina explained that it is better to do this in colder months and that the material is intended for use on Province Road. **Bob motioned to sign the M.E. Latulippe Construction, INC. Crusher Rental Contract, Christina 2nd, so voted.**

Full Statistical Revaluation Contract

The Department of Revenue Administration (DRA) sent a letter regarding the Full Statistical Revaluation contract for 2016. Christina explained that the Board signed this contract already, but the DRA is recommending that we use their form. We checked with Avitar and they confirmed it is a recommendation only and we do not have to sign it as they do not use this form. The Select Board agreed that since a contract has already been filed that we do not need to sign this again.
