

Town of Groton
Select Board Work Session Minutes
May 16, 2017

In attendance: Christina Goodwin, John Rescigno, Kyle Andrews and Sara Smith (Administrative Assistant - AA)

River Road

The Select Board, Roger Thompson and Glen Hansen met the President and Trail Master of The Baker Valley Snowmobile Club at River Road. Glen has to do ditching and ditch further down. The Snowmobile Club is not going to put the bridge back and Glen will redirect the water to go into their culvert and they are going to redirect water into the spring. They are going to fix the existing culverts.

We are not going to do anything with the embankment; if continues to deteriorate Glen will keep the Town informed.

Park

The Joint Loss Safety Committee inspected the park. Sara will give Glen the list of things to do but will let him know to take care of mounds asap.

Transfer Station

The Transfer Station needs to be cleaned up. There is a lot of trash on the ground. It is bad down by where the dumpsters are and is in the woods there as well. It was agreed to have Richard and Jeremy clean it up and then if needed we can see if we need a volunteer day. The Select Board approves extra hours to clean up. Sara will tell Richard and have him work something out with Jeremy.
