On p. 2, 5th paragraph, beginning with "Miles expressed...", 3rd sentence amended to "Chair explained that Planning Board members, at the last Planning Board meeting, had authorized Deb to proceed, researching ordinance language and the board members would email her with their comments to be included in the final draft for public hearing." Lastly, on p. 3 of minutes, 7th paragraph, beginning with "Planning Board meeting opened at 9:30 pm. Second sentence amended to read "We reviewed the draft ordinance that had incorporated Laura Spector - Morgan's suggestions." Chair moved to accept minutes of 1/21/15 as amended. Dave 2nd. Majority voted approval. Bob abstained.

Chair reported that NH Municipal Association has given us the legal language required for the ballot. We worked on language , also for the ballot, that will describe the purpose and content of the LWES ordinance. Suggested language submitted by Celine was of great help. Tomorrow, Chair will submit agreed-upon language to Town Clerk Laura Hauser for the printing of the ballot.

Next we brainstormed language for a newspaper article which, hopefully, will help residents better understand the LWES ordinance.

Meeting adjourned at 9:03.
